9. Physical and chemical properties

Appearance:	Liquid
Colour:	Clear pinkish
Odour:	Very slight
Boiling Point	> 100
Flash Point	N/A
Density at 20°C	1.25
Solubility in water:	Soluble
pH	6.0-7.0

10. Stability and reactivity

Stability: Stable
Materials and conditions to avoid: N/A
Hazardous decomposition products: N/A
Hazardous Polymerisation: N/A

11. Toxicological information

Health effects:
Swallowed: Irritation if swallowed
Eyes: May cause irritation
Skin: May cause irritation
Inhaled N/A

12. Ecological information

This product is a fertiliser, will not cause long term problems.

13. Disposal considerations:

Wash with plenty of water onto soils

Disposal of empty containers: Triple rinse then dispose appropriately

14. Transport regulations

UN number: Not classified as hazardous for transport
Proper shipping name: N/A
Dangerous goods class: N/A
Packing Group: N/A

15. Regulatory Information

HSNO Approval No:	HSR002571
Group standard	Fertilisers (Subsidiary Hazard) Group Standard

16. Other information

Abbreviations

HSNO Hazardous substances and New Organisms Act (1996)
